

Third Swiss conference on decentralized energy

11 November 2026, Welle 7 in Bern

Agenda

Language: English, German, or French

[Registration link](#)

9h15

Morning coffee

9h45

Welcome and introduction (Evelina Trutnevyte, University of Geneva; Michael Lehning, EPFL and WSL)

9h50

SWEET EDGE highlights

- Third Renewable Energy Outlook (Evelina Trutnevyte, University of Geneva)
- EDGE insights on public acceptance (Isabelle Stadelmann-Steffen, University of Bern)
- Q&A

10h30

Renewable generation or new nuclear power in Switzerland?

- Moderator: Philippe Thalmann (EPFL)
 - Marius Schwarz (Axpo Group)
 - Patrick Hofstetter (WWF)
 - Regina Betz (ZHAW)
 - Thomas Nordmann (TNC Consulting)
 - Annalisa Manera (ETHZ)

11h30

Coffee break

12h00

Effective and just policies for the renewable energy transition

- Moderator: Michael Lehning (EPFL/WSL)
 - White paper on cantonal policies (Jonas Schmid, UNIBE)
 - White paper on distributional impacts (Florian Landis, ZHAW)
 - Distributional impacts of residential sector transition (Alexandre Torné, UNIGE)
 - Perception of distributional impacts (Gracia Brückmann, UNIBE)
 - Q&A

13h00

Lunch break

14h00

Deep dives

1. **Session 1: Navigating the social and technical landscape of community energy planning**
 - Session moderator: Philipp Schütz (HSLU) / Claudia Binder (EPFL)
 - Where are the drivers and obstacles in communal energy planning? (EPFL)
 - Challenges in communal energy planning: the case of Buttisholz (Oscar Küng, OKpro gmbh)
 - How does the Recommender Tool help communities (HSLU)
 - Panel discussion:
 - Jan von Overbeck (St-Prex)
 - Oscar Küng (OKpro GmbH)
 - Deborah Wettstein (AUE Bern)

2. Session 2: Closing winter electricity gap with wind and solar power

- Session moderator: Michael Lehning (EPFL/WSL)
- EDGE presentation from the technical perspective I: Nicolas Stocker (ZHAW)
- EDGE presentation from the technical perspective II: Albin Cintas (EPFL/WSL)
- EDGE presentation from the social perspective: Jonas Schmid (UNIBE)

 - Nicolas Stocker (ZHAW)
 - Albin Cintas (EPFL)
 - Jonas Schmid (UNIBE)
 - Katja Maus (SFOE)
 - Thomas Nordmann (TNC Consulting)

3. Session 3: Grids and flexibility for the Swiss energy transition

- Session moderator: Giovanni Sansavini
- Distribution grids and grid stabilization (20min)
 - David Joss (BFH)
 - Efstratios Taxeidis (BKW)
- Resource aggregation and flexibility (20min)
 - Lorenzo Zapparoli (ETHZ)
 - Raphael Wu (Swissgrid)
- EDGE presentation from the social perspective II:
 - Cristian Pons-SeresdeBrauer (UNISG)
- Panel discussion:
 - David Joss (BFH)
 - Efstratios Taxeidis (BKW)
 - Lorenzo Zapparoli (ETHZ)
 - Cristian Pons-SeresdeBrauer (UNISG)
 - Raphael Wu (Swissgrid)

15h30

Coffee break

16h00

Legacy of EDGE and open questions for the future

- Moderator: Rolf Wüstenhagen (UNISG)
- Panel discussion:
 - Sarah Fuchs (VSE)
 - Leonore Hälg (energie Stiftung)
 - Andreas Haselbacher (SFOE)
 - Roberto M. Borsotti (TNC Consulting)
 - Marcel Lenzin (Swissgrid)

16h45

Farewell (Evelina Trutnevyte, Michael Lehning)

16h50

Apéro
